ABOUT RIALA

Our Mission: Leading Change, Changing Lives

RIALA represents the interests of assisted living communities in Rhode Island by advocating for the highest level of independence and quality of life for our residents. At RIALA, we:

- ◆ Advocate for thoughtful public policy at the local, state, and federal level
- ◆ Provide training, education, and leadership development for professionals
- ◆ Represent the industry on advisory boards and in work groups that develop services and monitor projects effecting residents and assisted living communities
- ◆ Shape the future of sustainable assisted living through identifying opportunities, informing the membership, creating study groups and responses to key issues

RIALA Membership and Benefits

As a RIALA member you will enjoy high-quality training programs, networking and resources designed to help you meet your goals. Members may serve on committees, download marketing information, forms and survey tools, receive advice on the assisted living industry, and network with decision makers at RIALA events at a discounted member price. Additionally, RIALA is advocating on the behalf of the assisted living industry at every opportunity.

Whether you are a company offering products and services to assisted living, operate a community, or just want to stay up to date with the industry, RIALA will be able to help you. We offer three types of memberships that all work together to keep you better informed and well-networked:

Industry Partners

Membership for Businesses

Provider Members

Membership for Residences

Associate Members

Membership for Individuals

Make your voice heard and help create the future of assisted living services by joining RIALA

Delivering Neurobehavioral Scientific Brain Wellness Therapy at Assisted Livings, Memory Centers, Day Cares & Nursing Homes.

www.BrainInPlay.com / Contact: BWhite@BrainInPlay.com / 401-615-8775

Brain In Play has originated a top collection of precise research-based behavior protocols that work at molecular and cellular levels to create better working brains – improving: cognitive/memory functions, mood, and/or symptom management.

Brain In Play is a nonmedication dementia prevention and treatment system solution for seniors that helps improve the functioning, communication, growth and preservation of brain cells - based on Nobel Prize research and top neuroscience.

BIP Chairman Dr. E. Iannuccilli, co-founder of the start-up that became United Health of New England shares: “Brian in Play fills a brain/behavioral-health gap in the long-term care industry of great benefit to large numbers of seniors and providers.”

Life Care at Home of Rhode Island

At Life Care at Home of Rhode Island, we are more than an organization of healthcare professionals – we are proud members of communities across southwest Rhode Island. Quality service is our mission. And to us, service means getting to know our patients on a personal level.

WE PLEDGE TO BE

Person Centered

We know the people we serve, understand their needs, and tailor healthcare to ensure the best journey possible.

WE PLEDGE TO BE

Quality Focused

We're passionately committed to making healthcare better every day by leading the industry in clinical excellence and service quality.

WE PLEDGE TO BE

Community Minded

We empower our clinicians and staff to embrace the communities they serve, because the best care happens in the context of strong relationships.
